

ABOUT

OUR COMPANY

Following graduation from Marymount University with a degree International Business, Sunny entered the Luxury Limousine business with one vehicle. Focusing on quality and personal service, demand for Sunny's grew. Twenty years later, Sunny's is recognized as an industry leader in luxury transportation worldwide.

His early passion for the industry reflects his continuous desire to push the boundaries in personal, professional, and reliable service. Today, that same passion burns bright, new boundaries are being challenged, and the standard to raise above every expectation of the 21st century demands remains the same.

With a vision, passion, and one vehicle, Sunny established a creative approach to the industry and through a dedicated staff, chauffeurs, and partners services the world's transportation needs.

Whether your transportation needs are personal or professional, Sunny's will deliver a reliable, efficient, and luxurious transportation experience – delivered with professionalism individual pride and company spirit.

"You have my promise we will exceed your expectations every time."
