

Dixie Crows Support WR-ALL and JoAnna McAfee Childhood Cancer Foundation

15 May 2010 marked the Tree Dedication Ceremony at the International Southeastern Division Regional HQ Little League Complex being constructed in Warner Robins, GA. Warner Robins Leadership 2010 Graduating Class chose to leave their mark in the community by providing landscaping for the new Little League HQ as their class project with all proceeds raised to benefit the JoAnna McAfee Childhood Cancer Foundation.

The Dixie Crow Chapter rose to the challenge to assist the Leadership 2010 Class by dedicating a Pin Oak Tree out in Center Field on behalf of the Chapter. Members Rick Drury, Chuck DeBoe, John Shawhan, Howard Smith, Jan Smith and Lisa Frugé along with the Drury grandchildren were present for the Dedication Ceremony.
