

## **Industry Information Sheet**

### **Presentations**

There is an opportunity for up to six companies to give a 30 minute presentation at the Symposium. Any company interested should consider the following questions when preparing their presentation:

1. How will you facilitate the Marine Corps ability to stay agile and responsive to the enemy's ability to adapt with COTS technology? (Can you help us stay inside the acquisition OODA loop?)
2. How will you facilitate the Marine Corps transition from COTS commercial capabilities to military applications?
3. How do you see the application from commercial IT models, the ability for disparate corporations to agree to specific standards and open network architecture, to military use?
4. Business culture and models change, due to the fact that there will be no specific USMC EW platform to develop and thus sustain into the future how do you see this relationship between MAGTF EW and industry as being synergistic?

Any company interested in being selected for one of the industry slots please contact LtCol Jason Schuette by phone at 703.695.2364 or 703.432.8139 or by email at [jason.schuette@navy.mil](mailto:jason.schuette@navy.mil) or [jason.schuette@usmc.mil](mailto:jason.schuette@usmc.mil) prior to August 31<sup>st</sup>. For consideration your communiqué should include a brief abstract of your proposed topic covering any or all of the questions above.

### **Displays**

A limited number of 10 X 10 spaces are available at Miller's Landing. You are responsible for setup, takedown, manning, and security. The cost is \$1,000.

Please contact Mr. Bill Flannery ([william.flannery.ctr@usmc.mil](mailto:william.flannery.ctr@usmc.mil) / 252.466.8151) or Mr. James Griffin ([james.d.griffin1@usmc.mil](mailto:james.d.griffin1@usmc.mil) / 252.466.6295) with the following information:

- General description of display, exhibit, or booth
- Approximate space required at Miller's Landing once set up
- Special needs (e.g., tables, chairs, power)
- Preference of location within the conference room

- First come, first serve basis and as space permits
