

## Granite State Roost Holds Annual Baseball Game Social

The Granite State Roost held their annual Fisher Cats baseball game event on Friday evening, 21 June, as the NH Fisher Cats took on the Trenton Thunder. Many attendees arrived early to participate in the opening ceremony by presenting the American flag during the National Anthem. With the help of the American Legion Post 7, they folded the flag after the game. The evening's weather was perfect, with a breeze, beautiful sunset and cool temperatures. The event, held on the first base party deck, included an all you can eat buffet of traditional baseball fare; attendees were treated to a fireworks display after the game. The Granite State Roost continues to provide opportunities for interaction among its membership by holding social events throughout the year.
