

*Incoming President Don Revell and
Outgoing President Troy Orwan*

The AOC Capital Club Annual Holiday Party 2019

The highly anticipated annual AOC Capital Club Holiday Party was hosted by outgoing President Troy "Bucket" Orwan USAF (Ret.) and incoming President Colonel Donald "Don" Revell Colonel U.S. Marine (Ret.) at the Army Navy Country Club Arlington Virginia on 13 December 2019. This event was hosted amidst the majestic golf club and historic grounds conveniently located just a few minutes south of our Nation's Capital. With past dignitaries such as former Presidents Eisenhower and Kennedy, members of Congress and distinguished Military General Officers to include Omar Bradley, the Army Navy Country Club continues to serve as an excellent venue to show our appreciation for our CapClub members support throughout 2019. Our largest Holiday gathering yet, was attended by over one hundred members and their guests representing government, military, civilian and industry stakeholders from throughout the Washington DC National Capital region... Durso thanks members for
their support.*

The AOC Capital Club Annual Holiday Party 2019

CapClub President Don Revell discusses future Chapter collaboration initiatives with Chesapeake Chapter President Dawn Noga

As outgoing President Troy Orwan delivered awards, incoming President Don Revell presented his vision for the future of the Association's largest Chapter with over 1,000 members. In part, Colonel Revell stressed the need for continued growth in STEM Outreach, Scholarship Offerings, Research & Development Grants, Professional Speaker Series, Multi-National Engagements, Sponsorship, "Sister" Chapter alliances and Capital Hill Engagement to name a few. The future is bright for the AOC Capital Club and we look forward to growing our board and delivering on our commitment to serve the ever-expanding interests of our valued members. On behalf of my entire CapClub Board of Directors please accept my sincere appreciation for your past support and our continued growth in 2020 and beyond! Many thanks and as always "Semper Fidelis"!
