## A Message from the AOC President – RE: AOC ELECTIONS

The 2016 AOC Board of Directors election results are now in and the results are provided for all interested members. For At-Large Director, "Muddy" Watters was elected to a second term, as was Jeff Walsh for our International Region 2 Director position. For International Region 1, Sue Robertson from the UK will be taking over for Dr. Bob Andrews when his final 3-year term expires at the end of this November.

You may notice no mention of a second At-Large Director name, and that's because for perhaps the first time ever, there was a tie between the next two candidates after Mr. Watters. By our procedures, the EXCOM discussed several possibilities to resolve the tie and in the end, recommended a vote by the full BOD in a special meeting that will occur this Friday, October 21st. Both candidates are fully aware of the situation and have agreed to this method of resolution. Therefore, the final results will be available by early next week.
