

On July 22, 2018, 46 members and families of the Granite State Roost attended the Third Annual “Night Out with the Fisher Cats” minor league baseball game. As of that evening, the Fisher Cats held the best record in the league, leading by two games. Unfortunately, they were unable to defeat the Reading Fighting Phils (losing the game 5-3). The evening began with an honorable

flag-holding on the field during the national anthem. GSR stood next to the Color Guard, presenting the flag and waving it proudly when the soloist sang, “O say does that star-spangled banner yet wave.” Guests enjoyed a beautiful sunset evening on the Third Base Party Deck, feasting on a delicious fare of BBQ beef brisket, pulled pork, BBQ chicken and macaroni and cheese. The Fisher Cats treated the Roost to complimentary ice cream sundaes with all the toppings, to thank GSR for its third year returning to hold an event. Fireworks lit up the sky following the game.

The Granite State Roost continues to foster camaraderie among its membership by holding social events throughout the year, including this baseball outing, a paddle-boat dinner

cruise on Lake Winnepesaukee, a curling event and, for the first time in 2018, a holiday party. The GSR maintains a strong commitment to advancing knowledge for Electronic Warfare and Electromagnetic Spectrum Operations by inspiring local industry to

contribute their skills and products to serve the EW Community. For additional information about the Granite State Roost, contact the chapter president, Mr. Duane Beaulieu, at <
