

AOC Support to International EW Workshop 2018 KOREA

On Thursday 12 July, AOC President-Elect, Muddy Watters, International Region 2 Director, Jeff Walsh and Director Global Conferences, John Clifford OBE, joined members of the Republic of Korea Roost, led by Dr Kwang ILL Lee at an International EW Workshop co-organised by the ROK Air Force, ROK Roost and Agency for Defence Development in Seoul. The AOC contributed the international speakers to the line-up for the 1-day event, which was an extraordinary event with around 600 delegates and 4 sponsors.

The opening ceremony with Lt Gen Choi, Hyun Koog, Education and Training Commander, ROK AF, presiding.

With the Workshop theme of “Air Force EW Development Trends in the 4th Industrial Revolution’, Muddy Watters talked about “*Current and Future Challenges in the 4th Industrial Revolution*” and Jeff Walsh spoke on “*Effective Integration of Social and Human Factors Maturity into Future Electronic Systems & Equipment – An EW Perspective of the 4th Industrial Revolution.*”

A fuller article will appear in JED shortly.
