

## **AOC JAPAN CHAPTER 7TH EW RESEARCH GROUP CONFERENCE**

The AOC Japan Chapter hosted the 7th EW Research Group Conference on May 14 in Kikai-Shinko-Kaikan, Tokyo. The event was co-sponsored by the IEICE (The Institute of Electronics, Information and Communication Engineers) Japan, Technical Committee on Space, Aeronautical and Navigational Electronics (SANE).

The EW Research Group of the AOC Japan Chapter holds annual conference to promote the exchange of new ideas and information in the fields of EW and related areas.

At the conference, AOC Japan Chapter President Mr. Shigeo Kazama, an AOC Lifetime Service Award recipient, welcomed the 115+ attendants from Japanese industries, academia and government, and promoted AOC membership.

The keynote speech was on the Electronic Warfare in the Information Age, Implementation of New EW Fighting. It was preceded by the technical session presentations of researchers, engineers and students.

At the conference, the newly published Japanese version (Tokyo Denki Univ. Press) of "EW104" (originally by David Adamy, Artech House) was presented and sold at the publisher's booth.
